**Love Letter to DuPage County by Patty Gustin
Candidate for DuPage County Board, District 5**

Patty Gustin Candidate
DuPage County Board, District 5
www.ElectGustin.com

When I am asked to speak about DuPage County, the thoughts that come to mind are all the reasons I love DuPage County.

My fondest memories of DuPage County, the place I call my home, are of its residents, from families, seniors, veterans, and animals. All of which help make DuPage a place to call home. From the residents that live, work and play here. The men and women who keep DuPage safe. People who care for each other through our community involvement in our programs, senior services, volunteering, education and accountability of our government and agencies. Our love for what makes DuPage great is what unites us, keeps us grounded, diverse, charitable as each one of us gives of ourselves to make DuPage a "Home with a Heart".

DuPage celebrates its cultural diversity through festivals, events, parades, sister cities, foods, new venues, art and music. Our local businesses that thrive due in part to our commitment to support local DuPage economy.

By being a member of DuPage Mayor and Managers Conference, Naperville Chamber of Commerce, and an independent businesswoman, I am supportive of the opportunities for business growth making DuPage a unique venue for new business ventures.

When you travel outside of DuPage, you understand why new buyers want to purchase a home here, because they see the beauty of what we strive to make our home great. To preserve our natural habitats, our wildlife, our parks, waterways, thriving downtowns, wide open spaces, trails, museums, gardens and lifestyles.

Serving and volunteering in DuPage for many years, from charities that support our troops, our seniors, A.D.O.P.T. animal shelter, etc. keeps me focused on important local issues and how I can protect, guide and grow DuPage now and in the future.

How can I continue to best serve DuPage County, my family, my home, my community, my living breathing part of my heart? I believe through serving as a DuPage County Board District 5 elected official.
